This matter is before the court upon Defendants' supplemental motion in limine ([filing 72](#)) and the parties' joint motion for expedited resolution of Defendants' supplemental motion in limine ([filing 80](#)). Having reviewed the matter, the court concludes that Defendants' supplemental motion in limine ([filing 72](#)) shall be denied. However, this ruling is without prejudice to consideration of specific objections to specific portions of the disputed evidence at trial.

IT IS ORDERED:

1. The parties' joint motion for expedited resolution of Defendants' supplemental motion in limine ([filing 80](#)) is granted;
2. Defendants' supplemental motion in limine ([filing 72](#)) is denied.
